Name Date

Twos, Fives, and Tens

Plus or Minus 10 Cards

+10	+10	+10	+10
+10	+10	−10	−10
−10	−10	−10	−10

Plus or Minus 10

Materials:

*100 chart (in math binder)
*plus or minus 10 cards (cut out and store in a Ziploc baggie)
*recording sheet

Directions:

1. Player 1 points to a number on the 100 chart between 10 and 90.

2. Player 2 turns over a plus or minus 10 card. Player 2 adds or subtracts 10 to the original number and records the number sentence on the recording sheet.

3. Players take turns until the recording sheet is filled.

4. Players must choose a new number for each turn.

Plus or Minus 10 Recording Sheet

Plus 10	Minus 10
Example: 25 + 10 = 35	Example: 35 − 10 = 25
