

## Please give today. Your donation makes a difference.

**Help Fund Teacher Salaries, Keeping Class Sizes Down:** 56% of the money the PTA will spend this year goes towards teacher salaries. Because the PTA pays for arts teachers, Principal Phillips is able to use her DOE budget to pay for more classroom teachers, resulting in smaller class sizes in three grades. The PTA also pays for 5 Kindergarten teaching assistants who divide their time between our ten kindergarten classes.

**Enrichments and Professional Development:** PTA funding ensures that chess, dance, improv, musical theater, music, and literacy enrichments like Meet the Writers and Pandamonium are part of the curriculum. We also provide math and literacy professional development for our teachers and fund a full-time computer technician.

**The Direct Appeal is Our Most Crucial Fundraiser of the Year:** Last year we received 494 Direct Appeal contributions. With almost 1500 children in our school we need more families to participate in order to sustain our current class sizes and enrichments.
