RAISE THE BAR

Registration for Raise The Bar is now open (10 slot max). All 3rd, 4th and 5th graders are invited to join by registering here: <https://www.marcherstein.com/raisethebar>

Raise The Bar is an online hip hop songwriting and recording class for grades 3-5. The course has been taught at PS. 118, PS. 107, PS 10, and was scheduled to begin at PS. 321 (all in Park Slope Brooklyn) until Covid-19 ruined the party!!!

Working through live virtual classroom sessions, the 10-seat group learns the ins and outs of collaborative songwriting and recording of a structured group Hip Hop song. Students record vocals easily using an iPhone, and can choose to rap, sing the chorus, or “ghost write” (play a role in writing but not recording or appearing on the song).

Recordings are easily forwarded and emailed, and then inserted, mixed, and mastered into the group song.

Students receive a professionally mixed and mastered MP3 of the song. They are guided by an established Billboard Charts and Rolling Stone Magazine featured artist known to us as Mr. Marc. Mr. Marc will conduct an initial 10-minute interview to determine eligibility. Students receive official Raise The Bar acceptance letters.

DANCE ADVANCE / FAMAJAM: Educational Dance Party (Prek-3rd Grade)

Many of you know me from my Dance Advance classes, FAMAJAM, and Party LIke Brooklyn Baby events. I am super excited to announce that registration for Dance Advance online is now open for spring and summer sessions! If your looking for some high energy fun activity right in your living room look no further! Parents can simply turn the screen on and let me do the rest, OR the whole family can join in!

This super fun “learn-through-dance” educational program fully engages children and families through creative exercise and learning while having dance party fun. Exciting break out dance party activities incorporate creative expression, math, history, and language skills. Dance Advance is the future of learning through stimulating fun activity.
