

Collect \$1.00

Materials:

2 dice

Pennies, nickels, dimes, and quarters

gameboard

score sheet

Directions:

1. Roll the dice and collect that amount of change. Place it on your game board. Record the amount of change you have. Figure out how far you are from \$1.00 and record that amount.
2. On your next turns add the new amount to the old amount. Exchange your small change for larger change as you go along. Record your new totals.
3. The game is over when you collect \$1.00.
