Cover All - Subtraction

Materials:

- Set of Cover All Subtraction Cards
- Cover All Subtraction Game Board
- Pencil or pen

Directions:

- 1. Place cards face down in one pile.
- 2. Select card at the top of the pile.
- 3. Solve the subtraction equation.

 (If you choose to play with a partner, be sure you agree on the answer.)
- 4. Write the number sentence in the game board box that matches the correct answer.
- 5. Repeat until all the boxes on the game board are filled with subtraction sentences.

(Some boxes will have several subtraction sentences.)
