Join us for 13 weeks of choral instruction. No experience necessary!

We will work on very basic sight reading skills, learn “solfege” (do, re, mi, etc.) and hone in on our dynamics (singing softly vs. loudly) and diction (pronunciation) while singing. Song choice will be mostly traditional choral music and rounds. Students will be taking home music to practice each week and will be encouraged to listen to recordings of our songs. After our 13 sessions together we will have a culmination performance on Thursday June 15th, 2023 in the auditorium at 6:30pm. Friends and family are encouraged to come and support our talented young musicians!
